This beautifully remodeled 2024 home exudes elegance with its soft grey walls, accented by white ceilings and trim. Luxury vinyl plank flooring runs throughout, offering a warm, cohesive feel. The kitchen stands out, featuring new shaker cabinets, pristine white quartz countertops, a stylish designer backsplash, and all-new stainless steel appliances. In the master bathroom, you'll find a sleek shaker-style vanity with white quartz, a designer mirror, a stunning shower, and a brand-new toilet. The second bathroom has been updated with fresh tile in the bathtub, new quartz countertops, and new toilets in both bathrooms. Every fixture in the house has been replaced, and the exterior has been fully repainted with cedar accents that perfectly complement the interior's modern style.
